SUBJECT No. 147.

Construction of a new building for Girls' School in Hosdurga town.

Mr. Bhupalam Nanjundiah, Hosdurga Taluk.

Summary of Discussion.—The Girls' school in Hosdurga town is at present located in a rented building which has not got sufficient accommodation for about 150 girls. It is prayed that a decent building may be provided for girls' school at an early date.

Dewan.—It is not possible to take up the question at present owing to financial stringency. A large number of schools is located in rented buildings and if Government have to put up buildings for all such schools, the cost would be a great deal. If the existing building is very inconvenient, the matter would be looked into.

Inspector-General of Education.—After inspection, the question whether a more commodious building can be rented out will be considered.
